おまかせ OMAKASE (Chef's selection)

前日までの事前予約のみ。All Omakase must be pre-ordered at least one day in advance.

Omakase (loosely translated as Chef's Selection) is a common concept in fine dining restaurants in Japan. Each Omakase dish for that day is carefully selected by the Chef, based on availability of the best quality produce at the market and on seasonal variations. The customer entrusts the construction of their meal to the Chef and the Chef will prepare the dishes for the best flavour combinations for the customer to enjoy.
